## Swing into Spring

**S**unday, March 2nd, Mark & Denise Paulson, Tim & Michele Kirst, Lance & Paula Pauley and Erv & Mickey Wilkowski, joined Kevin & Sandy Helinski at the East Towne Ballroom Dance Studio in downtown Milwaukee to learn how to dance. Our instructor, Marty has us step to the side to on a count of one/two; step to the other side three/four and finish with the rocker step, which is back five, front six. With these four steps you can dance anything from jive to foxtrot. We even learned how to turn using these steps. I'm pleased to report that no feet were stepped on, but there sure was a whole lot of smiling and laughing going on. Believe or not, we actually learned our right from our left. The hour lesson flew by and than Sandy treated us to a demonstration of actual ballroom dancing, dressed beautifully in a ball gown with Marty. Needless to say, we beginners will NOT be entering competitive dancing in our lifetime. After ward we went to a hot spot in the downtown area called the 'Wicked Hop' for a bite to eat. Did we say "bite"? Let us just say if you were hungry, it was your own fault. Go to P. 15.
