MODEL T Ford CLUB OF MILWAUKEE

An Afternoon At the Sunset Playhouse

Sunday, March 16th, at 2:00p.m., over 30 Model T Club members, family and friends, met at the Sunset Playhouse Theater to see the production "Joseph and the Amazing Technicolor Dream coat". They were treated to a truly remarkable display of musical and acting talent, beautiful costumes and quite a lesson in family dynamics. The cast was not only made up of adults but many children who did an incredible job at entertaining us!

Participating in this annual winter outing were: Erv and Mickey Wilkowski, Lance and Paula Pauley, Frank and Nancy Daily, Frank and Sandy Wilhelm, Ross and Gloria Arnold, John and Marylou Gelfer, Mark and Marge Kranz, Kevin and Sandy Helinski and Mom Shirley, Duane and Nita Nicholson, Maynard and Carol Knudson, Jeff and Denise Schmittinger, Dave Hjortnaes and Nils, Mark and Denise Paulson, Alice Wirth and Sister Nancy, and Jim and Cheryl Oliva.

After the play, we headed over to Baker's Square on Bluemound Road where Bob Wirth joined us. Bob was unable to make the play because he was participating with his car in a 100th birthday celebration that our Club had been contacted to partake in. Thanks, Bob, for once again unselfishly representing our Club and honoring a person who has made it an entire century on this earth.
