## 4th of July

Once again, The Greater Milwaukee Model T Club was out in force participating in the 4th of July Parades. We had a number of members and their cars at the Alcott Park Parade, the Shorewood Parade and a few others. The Alcott Parade occurred the morning of the 4th while the Shorewood Parade led off in the afternoon. Parades like this, are an excellent way, especially if you are unsure of your car or your driving, to get your car out on relatively short runs. The parades are enjoyable, you will have help if you need it and we are paid for these events. Pictures of the Alcott Park and Shorewood Parades are on pages 14 & 15. More pictures are on the website. Don't be a shut in, do your patriotic duty, after all it's the 4th of July.
