2015 President's Dinner

Mark and Denise Paulson, hosted the 2015 Greater Milwaukee Model T Ford Club's President's dinner. We all met at the Thunder Bay Grill in Pewaukee around 6PM for conversation, meal, elections, entertainment and just plain fun. Mark and Denise decided on a carnival theme for the dinner. There were games, drawings, balloons, candy, etc. Around seven, Mark called the meeting to order and began honoring club member contributions. Through out the year a number of club members hosted events or tours. Each of these members were honored with some token of gratitude, restaurant and entertainment cards. One special item was made by Tim Kirst, a Model T timing gauge. The carnival aspect was mixed in. A few raffle ticket calls were made and the winners received a bottle of home made (Mark Made) wine. After the honors were handed out, we broke for dinner. Dinner included chicken and beef

potatoes, carrots and all those things that are good for you including desert. With dinner behind us, we were treated to some entertainment. We heard a few songs from the 'The 4 Chords', a barbershop quartet. They sang a few old songs and told a couple of corny jokes. Sharon Venski then announced the new Greater Milwaukee Model T Ford Club Board of Directors. (Go to Page 12)
