2015 Prince of Peace Car Show

Kent Sumner seems to have car shows in his blood. He seems to be a natural with organizing these events and MC'ing the proceedings. With that microphone in his hand, he could fill in for Drew Cary once in a while. Well, The Greater Milwaukee Model T Ford Club was represented at this show on Saturday, August 15th. Dave & Niles Hjortnaes, Lance & Paula Pauley, Jack Gueldenzopf, Mike Zahorik and of course Kent had their Model T's (and one Model A) at the show. It was a warm sunny day. Fortunately Lance had the presents of mind to bring a canopy, for us to sit under. Occasionally we would feel a cool breeze off the lake. The parking lot was filled with other makes and models and the church kitchen had plenty of brats, hamburgers, deserts, drinks, etc. As the day progressed, people came to get a closer look at the Model T's, ask questions and take pictures. Kent always has a contest, which has many categories of cars. This year as in the past, Kent had some unique awards. He and his father made a wooden Model T puzzle, with the caption 'Prince of Pieces'. Dave Hjortnaes' speedster won the puzzle. In
