2016 President's Dinner

Saturday, November 12, 43 members and friends came from the north, south, east and west to meet at Thunder Bay in Pewaukee to celebrate the end of another successful 'T' year. Once again we gathered to eat, drink and visit, which is something we are all very good at.

After partaking in some socializing and liquid refreshment, we enjoyed an excellent meal. Sharon Venski, then took over the festivities to thank the many people who lead us this year in some special events. Each event chairman received a beautiful 'Tin Print' made from photos that were unique to each family. Thanks to Paula Pauley for getting those made up. Jim Oliva then presented Sharon with a Motor Meter for her 'T' as a Thank You for a job well done as our President.

On each table was a wooden 'T' spoke pen holder that was made by Lance Pauley and the pens made by Dave Hjortnaes. Someone from each table got to take one home as well as the lucky people who had a Gingerbread Dough Wis Lottery scratch off card at their place setting. Lance also made a Golden Spoke plaque with a pen inside. He actually applied real gold leaf to this. This was especially made for our wonderful Newsletter Editor, Mike Zahorik. (Go to Page 12)
