2016 HERITAGE SENIOR CENTER CAR SHOW

aturday, June 11th, the Greater Milwaukee Model T Ford Club, the MG Club and other car enthusiasts, met at the Heritage Senior Center in Waukesha. Brandon Butler, our youngest member organized the event that drew 50 or so cars to honor, Ken "Coach" Hollub. Ken was a teacher at South High School for 33 years. He passed away last March, after struggling with Alzheimer's. On a warm, sunny day, around 1:00 pm, cars began assembling on the road in front of the center. Our Club was represented by, Dave Hjortnaes, 1920 touring car; Duane Nicholson, 1922 coupe; Erv Wilkowski, 1926 coupe; Frank and Nancy Daley, 1924 roadster; Brandon Butler, 1930 Model A and Mike Zahorik, 1939 Chevrolet. Brandon and his father, Bruce, lined up the show cars on each side of the blocked off road in front of the center. Residents and guests could easily walk or be wheeled past the cars. While others, who either did not want to brave the heat or could not leave the center, viewed the cars from inside the center. Brandon had plenty of food and drink available and if the heat just got to anyone, they could sit inside the lobby for a while. Ballots for best car were also given out. A beautiful 1940 Cadillac was the show stopper. Go to page 15 for more pictures.
