## Virginia Health & Rehabilitation Center

**T**hursday May 18, The Milwaukee Model T Club displayed some of our cars to the residents of the Virginia Rehabilitation Center. Jeff Schmittinger, Frank Sardina came in Jeff's Touring car. Frank and Nancy Daily came in thier Touring car and Mike Zahorik in his TuDor, although rather late. Jeff Schmittinger's wife Denise works here and set up this event to entertain the residents. Residents came out to see the cars. Those that were able walked around (or were assisted in wheelchairs) to get a closer look at our antique Ford's. Events like this are a pleasant change of routine for the residents, who greatly enjoy it. The Virginia Health and Rehabilitation Center is located at 1451 Cleveland Ave Waukesha.
