Falls Retirement Home Car

The Milwaukee Model T Ford Club was invited to the Menomonee Falls Retirement Home for their first car show for their residents. On June 10th, Mike Zahorik and Erv Wilkowski drove north to meet John Merkel at Lilly and North Ave. Here just by chance we met, once member Lowell LaForge and his wife. After failing an attempt to sign him up again, we motored north to Menomonee Falls. Once there we met Mary Blasczyk, the organizer. The show was in the front parking lot. A short while later, Brandon and Bruce Butler arrived in their Model A. So we grouped together, just across from the Hot Rod Model T's. There were about 20 cars altogether and the residents all enjoyed the show. Many of them walked out and some where wheeled around. Many asked questions and there were a lot of smiles. One man who was nearing his 99th birthday, remember riding in a touring car with his dad. Going to town to pick the mail. Just after noon, the home even feed us. We got a choice of Retirement Home food and it was quite good. Then about 2 in the afternoon we left. Unfortunately, John Markel's car developed a loud knock and had to be trailed home., but otherwise we had a good time. Go to Page 15 for more pictures.
