## Model T Museum Tour

**W**ednesday, Oct. 9<sup>th</sup>, we met at Country Rose – not Rosie’s (first snafu) at 9:00 a.m. We hopped on the express-way and all was going good until Interstate 94 and 80 merged. I’ve never seen so many semis at a stand still. Dave said it was a 20 mile backup. Once we made it past the parking lot they call an expressway, we stopped at Lafayette, Indiana at Cracker Barrel for lunch. We left lovely and warm Lafayette (picture above at Cracker Barrel) and headed south and had no slow downs until 30 miles from Richmond. Our tax (Go to Page 15)
