## *2019 President's Dinner*

We, the members of the Milwaukee Model T Ford Club, all seem to enjoy the annual President's Dinner. Seems this Dinner attracts more members than most any other event. I guess we all enjoy good food, good music (even that tuba player is pretty good) and good friendship. This year we met for drinks and discussion, then a great meal. Jeff Schmittinger, outgoing President made the State of the Club address. Here, Jeff acknowledged all the Club Members that hosted an event or tour, or benefitted the Club in some way. Each contributor was called forward and given a gift of appreciation. Interwoven between the recognition, there were a few expressions of dry wit from Jeff and particularly Ross Arnold. Although these short stories cause some groans from the audience, it does help move the process along. Once the awards were given out, the new 2020 Board Members were announced and the election of the Officers was done. Then at long last, the Dixie Doodlers Band entertained us with a number of selections right out of the 1920's. There was even a wash board solo. More pictures on page 14 & 15.
