Heritage Senior Center Car

If you like hot steamy weather, old cars and plenty of old car talk, you would have enjoyed the Ken Hollub Memorial Car Show. Brandon Butler put on another excellent show. We arrived around 10am and the weather was just warming up. We all vied for spots with some shade. The Senior Center is rather new and so are the trees. The Model T Club was well

represented. Bob Wirth, Jim Hill,

Duane Nicholson, John & Bunny Boswell, Tom & Joyce Edfors, Jeff & Denise Schmittinger and Mike Zahorik braved the heat.

There was food, music and about 100 cars, ranging from our lowly Model T's to the big Buicks and Packards. There was also a raffle and other prizes. The residents came out to look at the cars, and some were even rolled out in chairs. Everyone had a good time. We should all thank Brandon and Bruce Butler for hosting this show. More pictures on Page 11.

Basic Electricity
