PAULEY T PARTY

Lance Pauley hosted the 'Pauley T Party', August 24th. On a cool, but beautiful Saturday afternoon, a number of Model T Club members & Motorcycle Club members met in Lance's back yard. Besides the people there were plenty of dogs, cars & motorcycles. About 3pm, Lance opened up the food tent. There was salad, potatoes, fried chicken and deserts of all kinds. AND coolers of soda and beer. I found it very easy, as did others, to eat too much. Then the band setup. A guitar player/singer, a drummer and a dancing bear. We were entertained for a few hours. The T Party has evolved into a mini car and cycle show. Of all the vehicles there, my favorite was the 1932 Pontiac coupe. It has a gorgeous patina that makes a guy dream of all the past trips the car had been through. The Pontiac is powered by a 6 cylinder engine with two separate cylinders heads. The Pauley T Party was a definite success, there was something for everyone, Thanks Lance. Go Page 9 for more pictures.
