

PLANETARY NEWS

April 2020 Volume 16 Number 4

Message from the President

Our President, Jeff Clark and Board Members have been communicating, over the past few weeks, via telephone and email. They have found it best to cancel the April and May Board Meetings and a few events. We did talk about trying to meet via Zoom or Google Meet, but that may take more tech knowledge than we have.

With regards to the 60th Picnic, we will keep the same date, July 19th, but possibly reschedule for September 20th or 27th, 2020. The board will take a vote to approve the purchase of the 60th Anniversary magnets and patches, this year.

Cudahy Middle School visit is canceled due to the Governor's order to shut down the schools for this school year. We will attempt a date in the fall. GermanFEST has been canceled. You should most likely assume everything has been canceled or contact the organizer for more information.

Thanks and stay healthy. Jeff Clark and you Board of Directors.
