NEIGHBORHOOD TOUR MUSKEGO

On Saturday, July 25, fifteen people met at Park Arthur in Muskego for the second in a series of mini tours. There were 6 Model T's and one modern car. Attending were Tim and Michele Kirst with daughter Courtney, Ed Cassel and Cathy Dial, Rob Schmidt, Jeff Clark, Duane and Nita Nicholson, Mike and Dan Zahorik and friends of ours, Brian and Chris. Jeff and Denise Schmittinger and Gary and Nancy Grey had car trouble and were unable to join us.

Park Arthur is a nice park off College Avenue. We parked in the second lot where the restrooms are located. There is a pavilion there with picnic tables under a roof. While it was hot out in the sun, it was comfortable as we sat at the tables, ate our lunches and caught up with everyone's lives.

We drove around Little Muskego Lake, out to Crowbar Road west and back east again. (Go to P10)
