## Sunset Playhouse

What could be better in January but blue skies, above freezing temperatures and good friends to spend an afternoon with? We had 19 people signed up to attend the play “4 Weddings and an Elvis” at the Sunset Playhouse January 30<sup>th</sup>. Unfortunately, one of the families came down with COVID and could not attend. We asked another family if they could join us and we were back to 19.

Again unfortunately, we had a couple of families that were unable to attend because of medical reasons and we were down to 16 for a final count. Comments from those who attended “this was one of the most entertaining plays we’ve been to”.

After the show, 13 of us went to the Pallas Restaurant for a bite to eat. The sign on the door stated that because of COVID the service would be slower. Slow was not the word I would have used. Our waiter, not only had to take care of us, but half the restaurant. For the position he was put in, he did an outstanding job with just a couple of errors. In the end, we spent two and half hours visiting and eating. (Dave called the restaurant the next day and told the manager what a great job Raul did.)

Our thanks to Ed Cassel & Cathy Dial, Mark & Marge Kranz, Jeff Clark, Dave & Heather Hjortnaes, John Markel & Mae, Kevin & Sandy Helinski, Mom Shirley Helinski and Tim & Michele Kirst for adding another wonderful memory to add to our Model “T” history.
