## Menomonee Falls Car Show

**T**he day dawned bright, sunny, and warm. Perfect day for a car show. I brought my 1920 Touring and 1924 Speedster, David Koukol had his 1926 Roadster and Jim Hill arrived in a 1927 Tudor(?). The Menomonee Falls 1929 Seagrave fire truck was also on display. We had a total of 90 cars, so that was quite a turnout. The 3 judges had to pick out Best of Show and reddest car, best presentation, and best chick magnet. Food choices included burgers, a Barbeque truck, Cousins Subs, and Markos Pizza. Unfortunately the afternoon band could not make it so we had canned music. Good thing the new sound system was working perfectly. We were able to open the beer garden and another band showed up that night for the 6-9 show. A good time was had by all. Now how will we top this next year? *The editor would like to thank Dave Hjortnaes for writing this article and providing the picture.*
