## 4th of July

Once again our Club was invited to participate in the neighborhood parade. Tim organized this event for us and promised 4 to 6 cars and had 5 lined up to attend. Unfortunately for Erv and I, we started out with a "BANG". Erv had the car looking so spiffy being washed, waxed, radiator flag holder in place ready to roll. Car started just fine and the "BANG!". We blew the muffler. Needless to say - we didn't make the parade. Thanks to Tim & Michele Kirst, Alex Igielski and girlfriend Macey (driving Kevin Helinski's "T"), Rob Schmidt and Myron and Jan Gouza they made a fine showing. We weren't the only one with car problems, as Myron's "A" broke down on the way to the parade. By the (Go to P. 8)
