

PLANETARY NEWS

February 2024 Volume 20 Number 2

Sunset Playhouse

Well, with all the crappy weather we had this January (heavy wet snow, rain, cold), we couldn't have been more delighted with the mid 30's and no moisture to speak of. 21 hearty souls headed to Elm Grove to "A Fox on the Fairway" at the Sunset Playhouse. The show was very entertaining with a lot of laughs.

Afterward, we trucked to the Pallas Restaurant for some nourishment. You can't have a "T" event without food!

Our thanks to: Ed Cassel & Cathy Dial, Jeff & Kathy Clark, Gary & Nancy Gray, Kevin & Sandy Helinski, Mom Shirley Helinski, Tim & Michele Kirst, Mark & Marge Kranz, Mark Matteson & friend Barbara, Chris & Carolyn Schoenemann and Jeff & Denise Schmittinger for making this Sunday such an enjoyable one.

We hope that Heather Hjortnaes is feeling better because we did miss you and Dave. Good Lord willing, we will be able to do this again next year.

LED Headlights Part 3

1]— **Sunset Playhouse** — Another excellent play and eats afterward

6]— **Coach House** — We began work on Jeff Clark's engine

8]— **McPherson Winter Clinic** — Dave Hjortnaes goes traveling

10]— **Coil Seminar** — We were reintroduced to the In's & Out's of the Model T Coil

4]— **I Did It**— LED Headlights, new method for aiming the headlights
