Bay View Water Frolics Parade

Saturday, July 16th, Erv and Mickey Wilkowski, Dave and Nils Hjortnaes, Tim Kirst, John Gelfer, Sharon Venski and Dan Nogalski, Mike and Dan Zahorik and John and Tera Meinholz proudly drove our Model T's down Kinnickinnic Avenue to the lakefront as part of the Bay View Water Frolics Parade. We lined up behind some large military trucks and paraded along. The going was slow so our cars weaved and circled from the military trucks back to the next group behind us. We began to honk our horns to the delight of the parade watchers along the route. Our noise seemed to egg on the large military truck to blast their horns. These horns were much louder than ours. The weather was warm, but not too hot and the cars faired well. The route ended at the yacht club at the lake shore. Here we parked the cars, had some lunch from the vendors and watched the remainder of the parade pass by. The club was representing the Bay View Historical Society and we had some large badges to prove it. The event was very enjoyable and we should all thank John and Tera Meinholz for organizing this event. More pictures on page 14. See other pictures on the website.
