FDR's Good Time Party

Our newest member, Mike Quam, hosted this event. Apparently, he has done this event before for the Model A Club. There was not a lot of notice for this event, but a few of us did attend. Mike Zahorik, Erv Wilkowski, Mark Matteson & his girl friend and Mike & Sue Quam with thier cars. Along with a few others from the Model A club. We met at the Pewaukee Brew Haus around 3:00, Here we waited for a few people who dressed in 1930's dress. Our cars were part of the dress up. Each couple rode in the back seat of the Model A's & T's as we drove to the private Civil War museum for a tour. Here we enjoyed many pictures and artifacts of both President Washington and Lincoln. There were many examples of furniture, paintings, maps etal (all from the period) for us to view. The curator guided us through the displays and filled in the facts around them. After the tour we returned to the Pewaukee Brew Haus for beer and pizza, but unfortunately, there was some kind of mix up in these details. Anyway, we sat at the tables, listened to the band and discussed items with the others. We all had a good time and all the cars seemed to operate well. Thanks to Mike & Sue Quam for this interesting event. Go to Page 11.

Generator Testing P.4
