Rochester Memorial Day

Once again our Model T Club attended the Rochester Memorial Day Parade. Many of us met at Chubby's Cafe for a little breakfast. Sort of tanking up for the trip South. Of those there were Mike Zahorik, Erv Wilkowski, Tim Kirst, Dave Hjortnaes, Jeff Clark, Jeff & Denise Schmittinger, Chris Schoenemann, Mark & Marge Kranz and Mike & Sue Quam with 8 cars. After tanking up, we hit the road. South on Marsh Road to Rochester. We arrived at the Rochester Fire House about 12::30 for the line up. Plenty of time to look at all the other participants. The parade rolled out at 1:30 and finished about 10 minutes or so later. This parade is Wisconsin's oldest Memorial Day Parade and the shortest. After the parade we waited for all the parade business to clear and then we were off to DQ for some ice cream. There were a couple of detours, because the DQ was hidden behind some trees and the fact that I was looking for Culvers didn't help. Anyway we all had a good time. If you missed it we had nice weather, conversation and all the cars seemed to run very well. Go to Page 8 for more pictures.
